Working for Lancaster County offers not just a job, but a chance to thrive both professionally and personally. The benefits package for full-time employees, including paid time off, health insurance and flexible healthcare plans, ensures that you feel valued and supported in your role. With employee assistance program, tuition reimbursement and more, you'll have the resources you need to provide excellent service to the 550,000 residents of Lancaster County.

With 1,600 full-time employees and 300 part-time employees spread across 40 departments, there are plenty of opportunities for growth and development within the county. Whether you're interested in human services, public safety, administration, or any other field, there's a place for you to make a difference and advance your career.

Lancaster County itself is a vibrant and diverse community, offering something for everyone. From the peaceful farmland to the bustling city and towns, there's always something new to discover. Whether it's exploring farmers markets, enjoying local cuisine, or immersing yourself in the rich history of the area, Lancaster County has endless opportunities for you and your family to learn, explore, and enjoy. Joining the team at Lancaster County means becoming part of a community dedicated to maintaining and improving this wonderful place we call home.
